I learned

I had ~~preferred~~ the mitzvah of ^{remembrance} (remembrance) from Yom HaShoah. ^{T.}
By ~~denying~~ ~~this~~ this mitzvah, I can remember what happened during the Holocaust. This is good behavior because we're remembering the people who risked our lives to save us.

A prayer that I learned during class is the Mourner's Kaddish. ~~that is the prayer~~ We don't sing during this prayer. It's just ~~like~~ like talking during this prayer. We remember ~~the~~ the people that have recently died during this prayer. On Yom HaShoah, we remember all the people that died during the Holocaust.
